\* The Developmental Reading Assessment (DRA) is an individually administered assessment of a child's reading capabilities. It is a tool to be used by instructors to identify a students reading level, accuracy, fluency, and comprehension.

\*\* The Optional Local Purpose Assessment (OLPA) is available in mathematics and reading for students in grades 3 - 8. It provides a risk-free environment for students to familiarize themselves with online testing and provides teachers with information to target instruction before the MCA test in the spring. It is required as part of our charter contract with VOA.Families may opt out.

\*\*\* Northwest Evaluation Association Measures of Academic Progress (NWEA MAP) is administered every fall and spring. It assesses students reading, math and language usage skills. This is the data the staff use to ensure every student is making progress. It is required as part of our charter contract with VOA.Families may opt out.

\*\*\*\* Minnesota Comprehensive Assessment (MCA) are required by a state law. We provide the data to parents, our authorizer (VOA) and governing body. We use the MCA data to form our SMART goals for our Title 1 application. We include it in our annual report. It is required as part of our charter contract with VOA.Families may opt out.
